Classes for all programs meet Monday through Friday, with 20-25 classes per week, 6-7 hours of instruction per day. A Select Number of Merit Scholarships are Awarded.

Enrich Our diverse blend of guest faculty enhances the student's ability to adapt to different teaching styles while broadening their artistic reach and expanding their movement knowledge. With a teacher-student ratio of just 1:20 or less, dancers are given an invaluable opportunity to receive personal, individualized attention in every class!

Local and out of town dancers alike will benefit from our rigorous programs while experiencing all that beautiful San Diego has to offer. Choose us as your primary source of education this summer or join us for a shorter duration to maintain your growth and further master your craft before the new school year begins.

Expand Scripps Performing Arts Academy's Summer Intensive is an inspired program designed to provide comprehensive, high quality training for serious ballet and dance students between the ages of 11 and 19 years old. Passionate students who aspire to become the best dancers that they can be will thrive in our environment. We are committed to excellence and our highly qualified faculty provide the tools necessary to help the dancer hone their skills, expand their minds and stretch their boundaries in a safe, nurturing environment.

Explore Each program includes daily ballet technique and pointe or men's classes (young men's program only), along with a special Cross Training program and supplemental classes, curated specifically to meet the needs of the students in each program including Modern, Jazz, Traditional Character Dance, Acting for Dancers, Nutrition Seminars and more! All students will participate in a Public Showcase performance at the Creative Performing Media Arts Theatre on August 11 at 6:00 pm.

The performance will include variations, choreography and/or class work learned throughout the program. Tuition includes two tickets per family. Additional tickets will be available for purchase.
